

2026 Land Use Plan Questionnaire

For

Teesto Chapter

Welcome and Informed Consent

This survey is part of a community needs assessment focused on land use planning and rural business development. The Teesto Chapter is updating its Community Land Use Plan. This survey will help us understand how community members use the land today, what services and infrastructure are needed, and what kind of future you envision for Teesto. The purpose of this investigation is to better understand the infrastructure needs in your community, to increase economic opportunities, and promote tribal rural business development by updating the Teesto community Land Use Plan. Your experiences, perspectives, and knowledge are the foundation of this work. There are no right or wrong answers. Your responses will help the Teesto Chapter better manage growth, development, and redevelopment in the future and set forth a vision for the future of the community.

Your Participation

Participation in this survey is entirely voluntary. You may choose to decline answering any question at any time without consequences. The estimated time to complete the survey is approximately 20-30 minutes.

Confidentiality & Privacy

- *Your name will not be recorded, published, or connected to any of your responses.*
- *All information collected today will be used only in summary form for the purposes of this land use needs assessment.*
- *If someone is administering this survey by hand, then audio or written notes may be recorded only with your consent, and solely to ensure accurate documentation. Recordings will not be shared publicly and will be destroyed after use.*

How Information Will Be Used

The results of the survey will help us to design, develop and implement community planning solutions that will aim to meet the Teesto community development needs. The findings from this survey will be used to identify gaps in infrastructure, business development and community planning needs across the Teesto community. Results may be shared with chapter officials, Teesto Development Corporation (TDC) members, Teesto Planning & Zoning Commission (TPZC) members, AATech staff, grant funders, design and landscape architecture firms, and relevant agencies to support advocacy and land use planning efforts that serve the best interests of the Teesto community.

Thank you for your time in completing this survey!
